ESTATE

WELCOME TO HOLYWELL ESTATE

If you've dreamed of a beautifully unique wedding day, in an elegant and romantic setting, then Holywell Estate set in the rolling countryside of the Meon Valley in Hampshire is the venue for you.

At the heart of the estate, Holywell House is a beautiful Grade II listed country house dating back to the 1700s. The house and gardens are steeped in character and history. In the grounds sits our newly restored Holywell Walled Garden and fabulous tipis for your celebrations, offering a truly magical hideaway for up to 150 guests.

Surrounded by perfectly manicured lawns, fruit trees and woodland, you can enjoy your very own secret garden for the day. From a relaxed festival theme to a decadent black tie affair, let your imagination run wild.

From the moment your special day begins, our passionate team will dazzle you and your guests with exceptional service and attention to detail. Our trusted and experienced suppliers will ensure everything runs smoothly until the celebrations end.

We can provide seating and space for blessings, humanist ceremonies or celebratory gatherings. From 2021 we will be licensed for official ceremonies. If you are beginning your special day with a wedding service elsewhere, we have plenty of room for the wedding car and guests to sweep in.

We'll ensure everything is meticulously prepared so you can arrive and begin enjoying the company of family and friends.

Right from the word go, Bryonie was an absolute pleasure to work with. I really appreciated the recommended suppliers who knew the venue as this helped the event go smoothly. All of our guests were blown away with the location.

A warm welcome awaits at this venue, tucked away in the peaceful Hampshire countryside. Refreshments and catering of a high standard and it's great to be able to walk-off lunch in the wonderful estate.

The walled garden worked perfectly for us. It is a beautiful setting and such an inspiring space to make what you want of. Bryonie was on hand the whole way through and her expertise helped tremendously.

A TIPI IS PERFECT

Spacious and stylish, suited to all weather and flexible enough for a wide range of event sizes, a few reasons why our tipis are superb.

If you choose Holywell Estate for your wedding celebrations, you will have exclusive use of our fabulous tipis, which are housed within our walled garden.

Our tipis consist of solid wooden poles grown in the cold forests of Sweden and a light tan-coloured canvas. The specially designed fabric is fire retardant, water repellent and tough.

Our tipis house up to 150 guests to celebrate until midnight. There's room for a bar, space for a band, the option of a chill-out area, a dance floor, a beautiful dining room and we even allow you to bring your furry friends along, by prior agreement only. As the bride/groom you will also have access the day before to decorate/set up the tent.

We can help style your tipi to suit your wedding theme and there's plenty of additional outside space to incorporate into your wedding plan.
